

KENNY DISTELL

"I know Kenny appreciates this opportunity, will work very hard over the next three years to earn his certificate, and leave the CILLS program as a productive, independent member of his community."

Dear Mrs. Collins,

I am so excited to be getting the Dick and Judy Grant for Inclusion.

I can't wait to go to ESU CILLS program in the fall. I want to learn to make friends, job skills to get a good job, do things on my own and be part of college like other kids my age.

Thank you for helping my Mom and Dad pay for this program. I will make them proud!

Love,

Kenny
